

Conclusions on mutual diploma recognition based on the original agreements from 2011

19 Jan 2016

1. Acknowledging the limited progress achieved in the implementation of the 2011 Agreement on mutual recognition of diplomas, the Parties agree to renew their efforts and build on the experience to overcome challenges and simplify processes.
2. Parties agree to implement the agreement on diplomas following certification by the EUA. Recognition will be divided into professional and academic. Professional recognition will be performed by the respective relevant governmental bodies, within a maximum of 90 days after receipt of the application and with a ceiling limit fee of equivalent to 50 euros or an equivalent amount. Professional recognition will be deemed sufficient for employment opportunities, including in governmental bodies. Academic recognition will be needed only for the continuation of studies; procedures will depend on the individual higher education institution and will have an overall deadline of five months.
3. All EUA certificates previously obtained will be recognized by the Parties and diplomas certified by the EUA can be directly submitted for recognition. All previous recognitions of diplomas will be treated as valid. The implementing partner will provide the Parties with information on the nature of the applicants request (professional or academic) within a maximum period of two months. In addition, Parties agree to exchange all relevant information on requisite procedures, including fee costs, by the end of February 2016.
4. The agreement on diplomas and these conclusions apply only to all accredited higher education institutions and programs by relevant respective bodies of parties, Belgrade and Pristina respectively. The Parties will exchange the list of accredited Higher Education Institutions by the end of February 2016.
5. The Parties agree that this procedure applies to the following levels of education: Bachelor, Master and PhD. The Parties also agree to recognize the diplomas of elementary, secondary, vocational education, and the fifth level of qualification as per European Qualification Framework (EQF), for which modalities of implementation will be discussed in the next meeting.
6. Building on the above, the Parties agree to commence phase two of the original project.
7. The EU will establish a tripartite implementation group by the end of February 2016 to monitor the implementation of these agreements and conclusions.
8. Concurrent implementation of the agreement on Mutual Recognition of Diplomas by both Parties will resume on 1 March 2016.
